Asset Management

No: AM-01

Office of Procurement Services

Effective:

September 1, 2023

Issued By:

Kathleen C. Madden, Director

I. Purpose

This policy establishes requirements for asset management activities by **State Agencies**. The first occurrence of a defined term in this policy is in bold, italic type, and is hyperlinked to the definition in Section IV.

II. Scope

This policy applies to State Agencies required by Ohio Revised Code (ORC) 125.16 to maintain current and accurate records of all tangible **Personal Property** and **Real Property** that they hold either directly or on the State's behalf.

III. Policy

A. **Asset Management Handbook:** State Agencies shall follow the policies and procedures established by the Ohio Department of Administrative Services (DAS) that are contained in the State of Ohio Asset Management Handbook ([https://das.ohio.gov/static/property-services/asset-management-services/am-services/AMS%20Handbook%20%20Updated%20\(2022 1 28\).pdf](https://das.ohio.gov/static/property-services/asset-management-services/am-services/AMS%20Handbook%20%20Updated%20(2022%201%2028).pdf)).

B. **State Agency Personnel Roles and Responsibilities**

1. State Agency Directors or their designees shall assign:
 - a) One or more **Inventory Control Officers** for stewardship of State-owned personal property.
 - b) One or more Inventory Control Officers for stewardship of State-owned Real Property and **Infrastructure**.

2. State Agency Directors or their designees shall give Inventory Control Officers the appropriate level of authority necessary for accurately and properly maintaining their agencies' inventory management systems and processes.
3. Inventory Control Officers shall be the primary points of contact between their agencies and DAS for inventory-related issues and information.
4. State Agency Directors or their designees may also assign additional staff members as ***Inventory Coordinators, Personal Property (Equipment) Custodians, and Physical Inventory Specialists*** to assist with their agencies' asset management activities.

C. **Certifications**

1. State Agencies shall annually certify their State property inventory activities. Certifications shall cover the period of July 1 – June 30 and be:
 - a) Completed as prescribed by the State of Ohio Asset Management Handbook.
 - b) Filed with DAS on or before October 1.
2. State Agencies shall biennially conduct and certify a physical inventory and reconcile their perpetual inventory records in OAKS AM or their in-house asset management systems.
 - a) A physical inventory and reconciliation can be completed at any time during the biennium.
 - b) After the close of a biennium, certifications must be completed and filed with DAS on or before October 1.

- D. **Letters of Representation**: Before leaving office, ORC 117.17 requires State Agency Directors to prepare a Letter of Representation for their successors. Information about the content and submission of Letters of Representation is on the Ohio Auditor of State (AOS) webpage (<https://ohioauditor.gov/resources/AOSNotifications.html>).

IV. **Definitions**

- A. Infrastructure. Long-lived capital assets that are stationary in nature and normally can be preserved for a significantly greater number of years than most capital assets (e.g., roads, bridges, tunnels, drainage systems, etc.).
- B. Inventory Control Officers. State Agency staff members designated by their agency Directors or their designees to follow inventory management policies and procedures and maintain inventory records on behalf of their agencies in accordance with ORC 125.16.
- C. Inventory Coordinator. State Agency staff members who assist Inventory Control Officers with maintaining a portion of their agencies' inventories. An Inventory Coordinator's duties and tasks are assigned by the agency's Inventory Control Officer.
- D. Letter of Representation. As required by ORC 117.17, an inventory-related letter prepared by an agency Director before leaving office, which is completed and distributed in a manner prescribed by the AOS.
- E. Personal Property. Includes every tangible thing that is the subject of ownership, whether animate or inanimate, including a business fixture, and that does not constitute Real Property

as defined in ORC 5701.02. Personal property does not include money as defined in ORC 5701.03.

- F. Personal Property (Equipment) Custodians. A Custodian is a State Agency staff member who is a primary user and/or caretaker of equipment. Primary users are staff members who personally use the equipment on a daily basis. Caretakers are staff members who oversee shared equipment used by a designated group or organizational unit. Personal Property (Equipment) Custodians are responsible for notifying either Inventory Coordinators or Inventory Control Officers when an assets are relocated.
- G. Physical Inventory Specialists. Agency staff members assigned to take physical inventory of State property.
- H. Real Property. Land and whatever is erected or affixed to land (above or below), excluding infrastructure. Major classifications of Real Property are land, land improvements, and buildings.
- I. State Agencies. Every organized body, office, or agency established by the laws of the State for the exercise of any function of state government. It does not include elected state officers, the general assembly or any legislative agency, a court or any judicial agency, or a state institution of higher education.
