

PROCEDURE

Procedure Name: Offboarding Procedure

Procedure No: P 450

Issue Date: June 20, 2020

I. PURPOSE

This offboarding procedure is necessary to ensure that a clearly defined process exists for collecting state-owned resources and removing access (electronic and physical) to systems and facilities in a timely and consistent manner, as a result of changes in the working status of personnel. The exit procedure is fundamental to keeping up to date employment data, and maintaining the security of state personnel, data, systems, networks, assets, and facilities.

II. SCOPE

The scope of this procedure includes the steps that the employee, management and the Office of Employee Services (OES) shall take in order to recover state assets and remove access to state resources from personnel during transfer and termination events.

Voluntary termination activities include, but are not limited to:

- Resignation
- Retirement
- Transfer to a different DAS division
- Transfer to other state agency, board, or commission

Involuntary termination activities include, but are not limited to:

- Unclassified Removal
- Involuntary Disability Separation
- Probationary Removal

The detailed actions that individual business or technical units perform internally to collect state assets and remove access to state resources are outside of the scope of this procedure.

III. PROCEDURE

A. Voluntary Terminations

Voluntary termination of employment occurs when an employee submits a written or verbal notice of resignation, retirement, transfer to another agency, to his or her supervisor.

1. Employees are requested to provide a minimum of two weeks' notice of their intention to separate employment. The employee should provide a written resignation notification or intent to retire to his or her manager. Written notice of transfer to another agency or division is not required. Notification of transfers are obtained within OES.
2. Upon receipt of an employee's resignation or retirement, the manager will notify the Office of Employee Services (OES) by sending a copy of the resignation or retirement letter.
3. OES will obtain a Resignation Acceptance Letter from the HR Administrator and will send a copy to employee. If a retirement, OES will request Retirement Certificate from Governor's Office.
4. OES will send an Exit Survey to employee through Survey Monkey. Exit Survey is reviewed and a copy sent to Division Deputy Director, Section Administrator, and Assistant HR Administrator. Any negative remarks will be evaluated and managed.
5. A New Employee, Separation & Transfer (NEST) ticket is initiated by OES in order to notify OIT of employee separation or transfer.
6. Manager will complete the NEST ticket indicating what equipment to be recovered and accounts to be deactivated by OIT.
7. Manager will submit OAKS HCM Online Security Request Form to disable employee's access to MyOhio.
8. OES will schedule and conduct an Exit Meeting with employee to cover leave payouts, ethics policies, COBRA, etc.
9. OES will notify DAS Asset Group of separation so that all assets can be recovered and/or verified.

10. An electronic Personnel Action Request (ePAR) is created by OES and approved copy sent to DAS Finance Budget and Planning unit, OES Payroll Manager, and Asset Group.
11. Manager completes Exit Interview Checklist on employee's last day worked, and obtains employee's ID badge and any other relevant items (e.g, keys, uniforms, cell phone, USB drives, documents). Checklist is submitted to OES along with ID badge. Cell phones and laptops are submitted to OIT.
12. OES submits ID badge to Security Services for deactivation.
13. Table of Organization is updated by OES.
14. All separation documentation is uploaded to OnBase for file maintenance.

B. Involuntary Terminations

An involuntary termination of employment is a management-initiated dismissal.

1. Appropriate documentation on the involuntary termination is obtained by OES.
2. OES will conduct an Exit Meeting with employee (either in-person or remotely) to cover leave payouts, COBRA, etc.
3. OES will complete Exit Interview Checklist with employee and obtain employee's ID badge and any other relevant items (e.g, ID badge, keys, uniforms, cell phone, USB drives). Cell phones and laptops are submitted to OIT. If employee is not in the office at the time of separation, OES will make arrangements with employee to drop off needed items on a date agreed to by OES and the employee.
4. OES will escort employee to obtain personal items from their office or will gather these items for pick-up by the employee at a later date.
5. A NEST ticket is initiated by OES in order to notify OIT of employee separation.
6. Manager will complete the NEST ticket indicating what equipment to be recovered and accounts to be deactivated by OIT.
7. Manager will submit OAKS HCM Online Security Request Form to disable employee's access to MyOhio.

8. OES will notify DAS Asset Group of separation so that all assets can be recovered and/or verified.
9. An electronic Personnel Action Request (ePAR) is created by OES and approved copy sent to DAS Finance Budget and Planning unit, OES Payroll Manager, and Asset Group.
10. OES submits ID badge to Security Services for deactivation.
11. Table of Organization is updated by OES.
12. All separation documentation is uploaded to OnBase for file maintenance.
