

State of Ohio Administrative Policy

Vehicle Allowance Guidelines

No: VF-02

Motor Vehicle Fleet

Effective:

January 30, 2024

Issued By:

Kathleen C. Madden, Director

I. Purpose

The Office of Fleet Management (OFM), within the Department of Administrative Services (DAS) manages the statewide motor vehicle fleet. This policy establishes guidelines and procedures for vehicle allowances.

II. Scope

This policy applies to those individuals approved to receive a vehicle allowance.

III. Policy

- A. This policy provides that certain individuals are eligible to receive a vehicle allowance to secure or lease transportation for that person's use in the scope of that person's employment or official duties. The individuals eligible for the vehicle allowance are:
1. Those department heads appointed by the Governor and listed in ORC Section 121.03.
 2. Those chairpersons of commissions where the chairperson is appointed by the Governor and the appointment status is designated and compensated as full-time, permanent by the Director of Administrative Services.
 3. Other directors or department heads for which eligibility is approved by the Governor.
- B. **Authorized Use of Motor Pool Vehicles:** Authorized individuals who receive the vehicle allowance are generally prohibited from utilizing a state-owned or leased vehicle. Motor pool vehicles shall only be used for conducting state business and in accordance with the

provisions of the State of Ohio's Employee's Use of Employer Provided Vehicles Policy, VF-01. A motor pool vehicle will not be provided to an individual receiving a vehicle allowance that is for sole use by that individual. A motor pool vehicle may be used in the following circumstances while conducting state business:

1. When there is an emergency situation and it is impractical to seek alternative transportation.
2. When there are three (3) or more passengers and it is more efficient to take one motor vehicle.
3. When the situation/circumstance would require a specialized motor vehicle, i.e., off road capability.
4. When driving out-of-state for business if it is the most economical mode of transportation.
5. Any other circumstance approved in advance by the Director of DAS.

C. Procedure

1. Authorized individuals who wish to receive the vehicle allowance shall notify, in writing, the Director of DAS. The Director shall notify the individual that the vehicle allowance is approved or disapproved, and a copy of the decision shall be provided to OFM.
2. OFM shall annually review state payroll records to ensure that only authorized individuals are receiving the vehicle allowance. Any unauthorized use shall be reported by OFM to the Director of DAS.
3. In consultation with the Director of the Office of Budget and Management, the Director of DAS may make changes to the vehicle allowance. If a change(s) is made, the Director of DAS shall inform the DAS State Human Resources Division and make any appropriate notifications.
4. Payments for the vehicle allowance are processed through state payroll, appear on the employee's second paycheck of each month, and are prorated based on effective date of approval by the Director of DAS and/or the termination from a position outlined in Section III.A.
