Fleet Manager Certification Program

No: VF-07

Office of Fleet Management

Effective:

August 21, 2025

Issued By:

Kathleen C. Madden, Director

I. Purpose

This policy establishes a fleet manager certification program (Program). The Program may be instituted by a third-party designated by the Ohio Department of Administrative Services Office of Fleet Management (OFM) and may be supplemented by information and training provided by OFM. The first occurrence of a defined term in the policy is in bold, italic type, and is hyperlinked to the definition in Section IV.

II. Scope

This policy applies to any **State Agency** that has full or partial delegation of authority from OFM pursuant to DAS Statewide Policy VF-06/Delegation of Authority of Fleet Management.

III. Policy

- A. **Full Certification:** OFM will certify a State Agency's fleet manager as a certified fleet manager after the fleet manager completes the NAFA CAFM program and provided the fleet manager meets all the following:
1. is an employee of a State Agency and is designated as the State Agency's fleet manager responsible for overseeing the operation of that State Agency's fleet
 2. receives a passing score in each of the eight disciplines of the NAFA CAFM program and submits their certificate of completion to OFM for verification
- B. **Provisional Certification:** DAS may provisionally certify an individual as a fleet manager for a period of not more than three years if the individual meets all the following:

1. is an employee of a State Agency and is designated as the State Agency's fleet manager responsible for overseeing the operation of that State Agency's fleet
 2. is actively enrolled in the NAFA CAFM program
 3. is demonstrating progress, as determined by OFM, in completing the NAFA CAFM certification program
- C. **Certification Program Curriculum:** OFM designates the NAFA CAFM certification program as the method for the certification of State Agency fleet managers. The NAFA CAFM certification course contains eight core competency disciplines. Individuals must pass all eight disciplines within a three-year period to complete their certification. The eight certification disciplines are:
1. Asset Management
 2. Business Management
 3. Financial Management
 4. Information Management
 5. Maintenance Management
 6. Professional Development
 7. Risk Management
 8. Vehicle Fuel Management
- D. **General Provisions**
1. Each State Agency will ensure that its designated fleet manager completes the NAFA CAFM program no later than three years from the date of hire.
 2. Each State Agency will ensure that its designated fleet manager maintains the NAFA CAFM certification.
 3. To remain a certified fleet manager, a State Agency's fleet manager must comply with any continuing education requirements prescribed by NAFA or OFM.
 4. The State Agency's fleet manager will perform the duties of a fleet manager in a professional manner, as determined by OFM, including providing timely information to OFM.
 5. The State Agency's fleet manager must adhere to all provisions concerning fleet management as required by the Ohio Revised Code, the Ohio Administrative Code, and DAS policy.
 6. Failure of a State Agency's fleet manager to obtain initial NAFA CAFM certification or maintain certification may result in OFM revoking all or part of the State Agency's delegated authority as set forth in Policy VF-06.

IV. Definitions

- A. **State Agency.** Every organized body, office, board, authority, commission, or agency established by the laws of the state for the exercise of any governmental or quasi-governmental function of state government regardless of the funding source for that entity,

other than any state institution of higher education, the office of the governor, lieutenant governor, auditor of state, treasurer of state, secretary of state, attorney general, the general assembly or any legislative agency, the courts or any judicial agency, or any state retirement system or retirement program established by or referenced in the Revised Code.
