

HIPAA Data Handling Policy (v1)

POC Health — HIPAA Data Handling Policy (Draft)

Effective Date: 2026-01-10

Owner: privacy.office@poc-health.org

1. Minimum Necessary Standard

Workforce members must access, use, and disclose only the minimum necessary PHI to perform job duties.

2. Access Controls

All systems must enforce role-based access control (RBAC) and multi-factor authentication (MFA).

3. Transmission Security

PHI must be transmitted only via approved encrypted channels. Emailing PHI requires approved encryption.

4. Incident Reporting

Potential privacy incidents must be reported to the Privacy Office within 24 hours of discovery.

5. Retention

PHI-containing records are retained per record-retention schedule and legal requirements.
